| F | Associate Member          | Contribution 2 170 € | <input type="checkbox"/> |
| G | New company /New business | Contribution 1 060 € | <input type="checkbox"/> |

**\*The turnover that has to be taken into account is the cumulative turnover generated by the sales (France and export) of products falling within Synadiet's scope of activity, namely food supplements, finished goods, or ingredients involved in their composition. For « groups » applications, the turnover that has to be taken into account is the cumulative turnover of all the subsidiaries that the parent company wishes to integrate into its accession, and in which it holds, directly or indirectly, more than half of the voting rights.**
